

Corpus Christi five-attraction partnership offers half-price reciprocal admission to their members—in FEBRUARY only!

Gift shop and membership discounts also offered . . .

CORPUS CHRISTI—Members of at least one of these five major Corpus Christi educational and cultural attractions—Art Museum of South Texas, Corpus Christi Museum of Science & History, South Texas Botanical Gardens & Nature Center, Texas State Aquarium or USS Lexington Museum on the Bay—get an extra mega membership benefit during the month of February only!

Current members of any of these local visitor destinations may enjoy half-price reciprocal admission at the other four, and 10 percent off in all five gift shops. They also may receive a 10 percent discount on *new* memberships at the Art Museum, Botanical Gardens, Lexington and Science & History Museum--throughout February only!

The February attraction partnership is designed so area residents can “vacation” in Corpus Christi like tourists do, but at substantial cost reductions, while supporting these non-profit educational and cultural facilities!

The Aquarium, Art Museum, Botanical Gardens, Lexington and Science & History Museum all regularly add, change or update exhibits—so don’t assume you’ve already seen it all! Be prepared to show your *current* membership card and photo identification at all facilities. (The reciprocal benefit applies only to those family members covered on the home membership category.) Call the participating attractions, or visit their websites for membership, hours, or other information.
