(UPDATED 12/1/2020)

All Exhibits at the South Texas Botanical Gardens & Nature Center ARE AGAIN OPEN during regular hours (9 am-6 pm, daily), implementing additional safety protocols. Safety of visitors, volunteers and staff remains top priority during COVID-19. Our unique 182-acre outdoor park venue provides ample area for social distancing, plus a calming atmosphere to manage stress in the natural environment with lots of sunshine, fresh air and space!

**We were approved to opening gradually, May 1, as an “OUTDOOR MUSEUM,” and now:**

- Disinfect common areas and “touch” areas more frequently.
- Recommend admission be purchased on-line (stxbot.org); or by credit or debit cards on site.
- Check-In inside Visitors Center—hand sanitizer provided.  
(Guests should *bring extra* personal hand-sanitizer for use as they tour the site.)
- May ask guests if they:  
(1) have tested positive for Covid-19?  
(2) have any symptoms of Covid-19?  
(3) have interacted with someone who is infected?  
(4) have traveled in last 14 days to a high-risk area—another state, another country, metro Texas area.
- *Require staff*, guests testing positive, having symptoms, or exposed, to COME BACK WHEN WELL.
- *Require* six-foot social distancing everywhere on property (unless immediate family);
- *Require* face masks while indoors all guests older than age 2.
- Masks required outdoors when social distancing not possible.
- Have snacks, drinks available in the Visitors Center.
- Have additional portable restrooms with hand-sanitizer on site.
- Will continue monitoring recommendations from public health and state/municipal/county officials. If there are any changes to our operations, we will be sure to share this information with you on our website ([www.stxbot.org](http://www.stxbot.org)).
- **OPEN—All facilities now are open, except Children’s Play Area (private functions only).**
- **FOR UPDATES ON IN-PERSON CLASSES, PARROT TALK, REPTALES, PRIVATE ANIMAL INTERACTIONS, CALL 361-852-2100.**
