

# 10 SUMMER CAMP SESSIONS This Year!

Call 361-852-2100, ext. 225 for registration info.

Income-based SCHOLARSHIPS  
available for all Summer Camps.

## KIDS BASIC BIRDING CAMP

Wednesday-Friday, July 5-7, 9 am-1 pm

AGES 8-13

Campers learn basic bird identification techniques and bird biology using fun games and challenges, with entertaining birder, author and naturalist Gene Blacklock, and other guest speakers, including Purple Martin expert Louise Chambers, who lets campers observe baby Martins in nest.

\$80 members; \$95 non-members.

PREPAID REGISTRATION REQUIRED

## YOUTH NATURE+PHOTOGRAPHY CAMPS

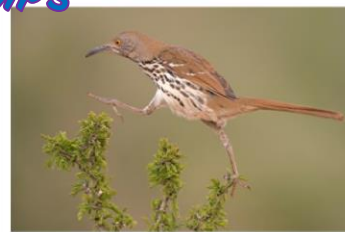

AGES 11-14 : Monday-Friday, June 5-9, 9 am to noon

AGES 14-18 : Monday-Friday, July 10-14, 9 am to noon

AGES 11-18 : Monday-Friday, July 31-Aug 4, 9 am to noon

\$125 members, \$135 non-members.

PREPAID REGISTRATION REQUIRED

WILDLIFE IN FOCUS Educator **Susan Chilcoat**, and Botanical Gardens Youth Education Coordinator/Field Biologist **Brenda Ermis** merge both science and nature to see the biology of potential photography subjects, then get hands-on camera experience learning differences between a good and great photograph. Possible photo categories include Animal Habitats, Camouflaged Organisms, Nature "Crime" Scenes, Native and Non-Native Reptiles and Birds. **Study Tool:** WILDLIFE IN FOCUS 2015 photo winners on display along Brennecke Nature Trail, with metadata. (*Bringing own cameras or quality cell phones is encouraged; a limited number of cameras will be available for temporary use.*)

June 26-30 Nature Rangers

AGES 8-12

July 10-14 Birds & Reptiles

July 17-21 Butterflies & Insects

July 24-28 Nature Rangers

Kids Summer Nature  
Camp  
sponsored by:

**NAVYARMY**

The Botanical Gardens encompasses a unique mix of flower gardens/floral exhibits and plant collections; plus vast acreage of native habitat and natural wetlands, which children love to learn about and explore. This summer, let the South Texas Botanical Gardens & Nature Center gift your child with a visual love of nature; understanding of our natural resources; conservation of our fragile environment; plus positive insights into stewardship of native habitats, bird and wildlife, and natural wetlands of this unique South Texas ecosystem. All sessions include adult instructors, door and outdoor studies and activities and take-home nature-related craft projects. Each day, campers will need sunscreen, hat, sunglasses and insect repellent. Camp sessions are taught by former Middle-School and High School teacher **Sandy Anderson**, with adult volunteers helping. 2017 is her fourth camp year at the Botanical Gardens.
