

SCOPE OUT OUR BIRDING

April 26-30, in the BIRDIEST CITY, at the sixth BIRDIEST FESTIVAL in AMERICA, right here in Corpus Christi!

New birder or festival pro? Experience spring migration, when birds fluff their feathers for their annual trek through South Texas via one of the country's busiest flyways. Last year's Festival rocked the records as 239 registered birders, from 30 states, sighted 267 species, making five-year total 329!

To insure your choices of 19 different field trips, presentations/workshops, pre-trip and/or post-trip, and seat for Keynote Speaker Tiffany Kersten's "BIRDIE BIG YEAR ELEVATING WOMEN BIRDERS," explore the 2023 Festival, and register, [at BIRDIESTFESTIVAL.ORG!](http://atBIRDIESTFESTIVAL.ORG!)

WINGS UP for many layers of festival enjoyment—*Southern Welcome to Texas* BBQ dinner, Vendor Trade Show, thrilling Jonathan Wood Raptor Project shows, artisan booths, and Saturday Family Fun Day. The Festival is based at South Texas Botanical Gardens, 8545 S. Staples.

PRESENTED BY:

KEYNOTE SPEAKER: April 28, 5:30 pm
TIFFANY KERSTEN didn't set out for A BIG YEAR! With a goal of seeing 700 species, and raising women's awareness outdoors, she set a new "Lower 48" BIG YEAR record of 726! Tiffany's keynote leads us through fear, empowerment struggles, healing—all playing vital roles in personal growth on this wild adventure! Enough adventure to make cover of June, Texas Monthly!
