

Hello, Patrons and Friends of the Gardens!

The beauty of nature has a unique way of bringing people together, inspiring curiosity, creativity, and care for the world around us. This year, we invite you to be a part of Moonlight Magic in the Gardens – an evening celebrating the magic of your beloved Botanical Gardens on October 9.

The South Texas Botanical Gardens and Nature Center is more than just a collection of plants, animals, and insects. It is a living museum, a sanctuary for wildlife, and a peaceful gathering place for families, students, and visitors to Corpus Christi. Through educational programs, conservation efforts, and public events, the garden nurtures both plants and people.

To continue engaging our community and visitors with nature through diverse exhibits, gardens, and environmental education experiences we rely on the generosity of supporters like you. This is where we need YOUR help! With your donation we can help conserve native habitats while continuing to be a multi-climate botanical destination for our local community and visitors by:

- *Supporting educational workshops and youth programs.*
- *Protecting native plant species and pollinators.*
- *Providing care for our animal ambassadors.*
- *Preserving and expanding plant collections.*
- *Maintaining walking trails and garden spaces.*

We warmly invite you to join us for an evening of magic with dinner, drinks, live music by Diamond's Edge, dancing, a chance to stroll the garden at night and connecting with other garden lovers. As in years past, we will also have a silent auction, performance by mentalist James Arthur, butterfly release (until 7:30), and the animal ambassadors will be in attendance.

Your generosity --- whether through attendance, sponsorship, or donation --- will help ensure that The South Texas Botanical Gardens and Nature Center thrives for generations to come. Please look over the enclosed underwriting and sponsorship options and send your donation to the address below:
