

Though you may hear reports of South Texas drought,
CORPUS CHRISTI IS OPEN, WELCOMING VISITORS,
continuing to deliver the exceptional coastal
experience travelers know and love . . .

- ✓ Corpus Christi has NOT run out of water!
- ✓ Cyclical droughts are not unusual for South Texas.
- ✓ Water is flowing from every tap—hotels, hotel pools, attractions, restaurants, stores, car washes...
- ✓ Botanical Gardens getting plenty of water! 🍷 🌻 🌻 🌴
- ✓ Bays, beaches, Gulf are untouched.
- ✓ Except lawn water restrictions, drought is invisible.
- ✓ Our water comes from three South Texas reservoirs.
- ✓ New water projects are underway to protect our future.
- ✓ Plan meetings & travel to Corpus Christi with confidence!
